InfraGard Los Angeles and C-T Watch, Inc Present:

THE THREAT OF ISIS AND RADICALIZATION ON THE HOMELAND

Date: Wednesday, Oct 12, 2016

9:00am—3:00pm

CLASS DESCRIPTION: This class is current content on ISIS / ISIL and its impact in the United States. This class will take you through the current TTP's (Tactics, Techniques, and Procedures) or "tradecraft" that terrorists (whether "inspired" or "directed") use in order to meet their final objectives, including online recruitment of disenchanted Westerners and common street criminals.

INSTRUCTOR: Recently retired CIA Operations officer Robert Dougherty. Operational background includes Counter-Terrorism Operations, Counter-Proliferation Operations, Counter-Intelligence Operations, Counter-Narcotics Operations, and HUMINT (Human-Intelligence) Operations. Instructor has detailed area, cultural, and on-the-ground knowledge & experience of Latin America, Europe, and the Middle East and has worked internationally as well as domestically with both the CIA and FBI in fusion centers across the United States tracking domestic and international terrorists.

COURSE BENEFITS: Private and Public sector situational awareness.

TARGET AUDIENCE: Private sector security, Public Safety (Law/Health/Fire), Terrorism Liaison Officers (TLO's), Medical Liaison Officers (MLO's), area stakeholders, and all InfraGard Los Angeles Members.

COST: FREE for InfraGard Members (light breakfast and coffee included). Lunch is not included.

LOCATION: Los Angeles/LAX area. Exact training location to be announced to all CLEARED registrants for security reasons.

Counter-Terrorism Watch, Inc.
