

# ADVANCED OPEN SOURCE INTELLIGENCE (OSINT) EXPLOITATION COURSE

**WEDNESDAY MARCH 20, 2019 . TIME: 1300 - 1630**  
**LOCATION: INGLEWOOD, CA**

**\*\*\*ATTENDEES ARE ENCOURAGED TO ATTEND THE INTRODUCTORY OSINT COURSE AT 0800 TO 1200\*\*\***

This course is a more in-depth OSINT course than the introductory course and will delve deeper into free web based OSINT exploitation tools utilized by investigators in the open source arena. Participants will be shown a deeper way on how to "dig" into the internet for personal information about any target while maintaining complete anonymity. This course focuses on the most popular social networks and proper advanced retrieval of located information. These sources can also be used to conduct thorough background checks on potential employees, brand protection, and identification of insider threats All resources can be applied to domestic and international investigations.

## Topics:

- 1) Finding Results Within Unlikely Sources (Deep Web Techniques)
- 2) Website Investigation and Link Analysis
- 3) People Search Techniques
- 4) Imagery and Video Exploitation
- 5) Event Monitoring

**TARGET AUDIENCE:** InfraGard Members, Public Safety (Law/Health/Fire), Terrorism Liaison Officers (TLO's), Infrastructure Liaison Officers (ILO's), Private Sector Security, Area Stakeholders, all Critical Infrastructure Sectors, Intelligence Analysts, Intelligence Officers and Private Investigators.

**SUBJECT MATTER EXPERT 1:** A native of Los Angeles, SME is an Open Source Intelligence (OSINT) and investigations expert assisting numerous Federal and local agencies as well as private organizations with OSINT collection, analysis and training.
