CYBER SECURITY TRAINING

Date: April 20, 2017   **Time:** 1:30 pm – 3:30 pm   **Location:** El Monte, CA

Presented by the Federal Bureau of Investigation and the Joint Regional Intelligence Center (JRIC):

The course goal is to increase awareness of cyber security threats in both the transportation sector and in our private lives

This course will introduce InfraGard, a program that promotes public-private coordination with government and mutual learning opportunities relevant to critical infrastructure and key resources.

This course focus will be on cyber security threats, including the role of the JRIC, the fusion center

that serves the greater Los Angeles area. The session will include a threat brief on cyber threats to the transportation sector and finish up with best practices for computer security.

INSTRUCTOR: M. Yohannes

COST: FREE

REGISTRATION & LOCATION:
Registration closes 4/17. Event address and other details will be emailed to approved attendees on or after 4/18. InfraGard Los Angeles reserves the right to cancel any registration at any time.
